The W.P. Faist Volunteer Ambulance Corp needs your help.  
We are building a New Ambulance Headquarters.

This building project will replace the very small existing ambulance headquarters that serves the Village of Chestnut Ridge and provides mutual aid support for the surrounding communities. The current location is too small for the size of today's ambulances, has little parking space and has storm drainage problems and does not provide adequate facilities for the crews that are in the building on duty. Our new facility will allow us to park all of our ambulances inside the building, provide the necessary space to operate efficiently and have a meeting / training space that we can offer First Aid and CPR classes to the community.

This is an opportunity for you to give back to the volunteers that serve and protect the community while leaving your company's mark on the community by becoming a corporate sponsor. There are five levels of sponsorship to choose from.

### **Platinum: \$5000**

Room within our facility named after your organization (example John Smith Training room)
